STOP THE PACIFICA PURGES!

The decade-long destruction of the Pacifica Radio Network continues. Since December, the purge of progressive voices has come to WBAI: 25 dissident staffers have been forced out, numerous progressive programs have been canceled, Democracy Now! has been suspended.

FIGHT THE STACKING OF THE PACIFICA BOARD! NO MORE ROGUE BOARD MEMBERS!

In just a few days the rogue-dominated Pacifica National Board will meet via a conference call to illegally stack itself with new members.

Rally with us at their headquarters. Let's keep up the pressure!
