**Support alternative community media**

**In times of crisis, the first casualties are often truth And social justice  
We must stand up for the drowned-out voices and for uncensored truth**

**The Only Way We Listeners Can Vote To Save Our Network AND BRING  
BACK OUR COMMUNITY STATION IS BY WITHHOLDING OUR DOLLARS**

**DO NOT GIVE YOUR MONEY TO THE CURRENT PACIFICA BOARD.**

Instead, help fund the fired and banned journalists who are carrying on the mission of progressive media. The Pacifica Campaign to Stop the Takeover continues to fight to end the Pacifica National Board majority's stranglehold over the network, while keeping alive the valuable programming that the network has purged. Please give generously to the Pacifica Campaigns well as to the lawsuits to remove the board, and to Free Speech Radio News, Pacifica's striking newscast. Together we will keep alternative voices on the air.
